PCC AGM
13 June 2018
Everyone is on a mission of some kind. From climbing the corporate ladder to scaling a grade 7 rock face, from navigating the morning school run to competing in a 21 kilometre trail run. At Leo Haase Centurion our mission is to introduce you to the all-new BMW X3, a vehicle built with passion, so you can follow yours.

If the thought of living to the power of X appeals to you, come in and discuss the all-new BMW X3 with us. It could change your life forever.

Dear Member,

With the first four months of the year already something of the past, I would like to officially welcome all members back from the Christmas break in this first edition of the Jacaranda. 2018 will be a big year for Pretoria Country Club as the Main Committee, together with the Greens and Golf Committees, are in the final stages of planning for arguably one of the Club’s biggest projects in the last decade. More about this a bit later.

The year kicked off with arguably one of the Club’s biggest projects in the last decade. More about this a bit later.

Now, in the third year of inter-seeding, our greens are much healthier than before, with the infestation rate of PDA at the level it is, waiting another 3 years for the inter-seeding programme to do its job is just not feasible, nor beneficial to members. We must not let the grass grow on this project.

The possible provincial tournaments taking place in both the Squash and Bowls tournament was once again a major success and retained its ever-popular spot on the European and Sunshine Tour calendars. Although we experienced a couple of small challenges on the golf course this year, we were proud to present a golf course for the hard work, long hours and commitment in presenting our golf course for the tournament.

The next golfing fixture must be the Club Championships that will be played late in April. Due to excessive downpours of 260mm in 48 hours, we had to postpone Club championships to later in April, the new dates being 21 and 22 April. I would like to wish all contestants the best of luck. May the best man win!

The possibility of provincial tournaments taking place in both the Squash and Bowls sections this year is highly likely. Unfortunately, it is still too early for me to make announcements in this regard. However, watch our social media communication for more exciting news.

Another two sections to look out for are the Wine Fraternity and Young Members. Johan Mook, chairman of the Wine Fraternity, planned a calendar that promises to be most enjoyable. If you are a wine lover, please visit our website or social media platforms for more information regarding these wine events. The Young Members hosted a movie night on the driving range early this year. This evening was very well attended and, judging the many positive comments we received from members, the possibility of hosting another evening like this must be explored. For a better view of member activities, please visit page 23 of this magazine.

From a capital project point of view, I would like to report on the following:

**DAM WALL REHABILITATION**

I am happy to report that this project was completed within budget and time line constraints. The improvements were already noticeable during television broadcasts of the Tshwane Open. The Asset Management and Greens Committees are in the final stages of approving the landscaping proposal, which will beautify the dam wall as part of our Golf Course Master Plan. Seeing that we consider the 15th as our “signature hole”, it is important that special attention is devoted to this project. We are hoping to finalise this project during spring, when the next growing phase for vegetation on the golf course will present itself. A special word of thank you to Main Committee members, Roy Fourche, who dedicated a substantial amount of his time to ensuring that this important project runs smoothly.

**PAVILION UPGRADE**

The construction phase of the new Italian-themed restaurant was completed just before the Tshwane Open. As it was important for us to create more seating in the Pavilion (bar area) by formalising the dining on the terrace, I am very pleased with the result. George is now in the process of final touches regarding décor, furniture and interior fittings, which should be completed by the end of April. We would like to thank Stella Artois that came on board by sponsoring part of the upgrade of the interior of our bar area. Unfortunately, the Tshwane Open kept them from finishing their decorations, but we hope to see this upgrade also complete by the end of April. Thank you goes to George for his patience during our discussions with Stella Artois.

**UPGRADE OF GREENS COMPLEXES**

For some time now, the Main Committee has been consulting with various companies in the golfing industry, including our golf course maintenance company and professional consultant Johan Jansen van Vuuren, as to what the solutions are to ensure our members have decent greens playing surfaces all year round. As I am sure all our golfing members are aware, playing surfaces during winter season deteriorate to a point where, even with extensive culture practices, it is impossible to produce a playable surface, the result of which is evident in a substantial decrease in playing rounds during winter months.

We have been informed by the Tshwane Open in 2015, that a sustainable solution is required for this problem. You would remember that we introduced a “double sword” inter-seeding programme in 2016 that alleviated some of the problems and at least ensured that a reasonable putting surface could be maintained during winter months. However, the proposed recovery period of 3-5 years for this programme to produce noticeable result just proved to be too long.

Now, in the third year of inter-seeding, our greens are much healthier than before, but with the infestation rate of PDA at the level it is, waiting another 3 years for the inter-seeding programme to do its job is just not feasible, nor beneficial to members. Fortunately, the Tshwane Open something of the past for now, and our current greens looks like it is showing signs of life. However, as we enter the third year of the Tshwane Open in 2015, that a sustainable solution is required for this problem. Thank you for choosing Pretoria Country Club as your home away from home. We are committed in keeping our facilities to the highest of standards and maintain an environment that is family-friendly.

Warm regards,

Nicky Bloom

Pretoria Country Club
Dear Member,

By the time of writing this article, the first quarter of the year will be something of the past. Our social events calendar was filled with many member functions that kick-started the year. Pretoria Club traditionally grabs our attention in January when hosting the ever-popular Burns Night. This event never disappoints, and this year was no exception. Barry Kraut, master of ceremonies, always brings a special touch to the evening. With his quick sense of humour and new Scottish hairstyle, we were entertained throughout the evening. Well done to chairperson, Margaret Trunk, and the organising committee for ensuring that January wasn’t “a dry month” for us!

The Ladies Tshwane Open was also hosted middle of January. This event suite our golfing calendar well as all the tournament rounds are played in the morning, leaving afternoon tee times for our members. The golf course is also set up in a manner which do not put our greens under too much stress in the warmer summer months.

I would also like to thank our Ladies Section who assisted with scoring duties, which requires very early morning starts. It was pleasing to see Danielle du Toit performing well under pressure. I can imagine joining the professional players is intimidating. However, Danielle made good use of her local knowledge and nearly caused upset amongst some of the professionals on day 4. We will definitely be seeing much more of Danielle in future. The best with your future endeavours, Danielle – Pretoria Country Club is proud to have such dedicated members.

The Wine Fraternity under the chairmanship of Johan Mook produced a unique wine bottling evening on the 9th of February. It was definitely the most unique wine event I have ever experienced in a golfing environment. It was pleasing to see so many of our young members attending the evening – maybe it isn’t just about drinking wine to them, culture and experience seem to go hand in hand. At the end of the evening, our bottling production line was well-plied with waiting staff that undertook a quick change course and eventually bottled more than 300 bottles of wine. If my maths serves me correct, one should produce more than 300 bottles of wine from a 300-litre wine barrel? Wonder where the rest went… Thank you to Duncan Savage for sponsoring the barrel. He remains one of our good friends of the Wine Fraternity.

The Young Members Committee continues to surprise us with their new ideas and fresh approach to ways of keeping our members entertained. On the 18th of February we all attended a “movie night” on the driving range. With more than 100 members joining in on the fun, the big screen experience was fantastic. Van Loveren wines and tacos kept everyone happy whilst watching The Great Wall and Beauty and the Beast. Congratulations to Neville Leahy, chairman of the Young Members Committee, and Corlia Vlasso for presenting a wonderful evening. We should consider this type of event again.

The end of February saw us all focusing on the Tshwane Open again. Our chairman has already reported on this tournament – however, I would like to thank all our staff, especially Casper Mostert and his maintenance team, for your hard work. Starting tournament preparations at 08h00 in the mornings is not easy, especially if heavy downpours are part of the fun. To George and his team at NHRE who follow in STM’s footsteps by lighting up the ovens of 08h00 in the mornings, thank you for being part of the team and for your commitment in producing high-quality food during the week. To Athal Sybels and Christiaan in the Pro Shop – you are always willing to help and spend long hours at the Club during the tournament week. Thank you for your dedication.

A special word of congratulations and thanks goes to the Bowling Committee who hosted members on Thursday to Sunday in their club house, as a member hospitality area. You guys did an outstanding job of serving us all with drinks, food, and a lot of hard work, but by ensuring that committee members rotate bar duties and do the actual work themselves, it certainly paid off and filled up the coffers a bit. Well done to our proud bowlers.

I could, unfortunately, not attend St. Patrick’s Day, which was hosted by the Pretoria Club on the 17th of March. From what I heard, the spirit and enjoyment of our members were incredible – some said almost more entertaining than Burns Night! If this is the case, we definitely look forward to next year, Margaret. Thank you for taking the initiative – it certainly fits in with our club culture.

Apart from completing the rehabilitation of the dam wall behind the 15th green complex early this year, which was the biggest project we undertook in the previous financial year, there were other capital projects that were executed as part of the annual budget. PCC is privileged to be in a position where we are able to generate capital funding in our facilities. One of the objectives of our Strategic Business Plan is to have the best-in-class facilities in Pretoria for all our sporting codes. This can only be achieved with sound financial models in place that deliver capital budgets for reinvestment.

The chairman referred to the announcement of a Special General Meeting where a proposal will be tabled to upgrade our current green complexes. If this motion carries member approval, this will be a major capital project that will require many hours of attention and devotion. From a personal point of view, I really look forward to this project, should it be approved. Extensive revamping work on a golf course do not happen frequently, and to be part of such a major project will definitely be a highlight for me.

We had a couple of changes to our staff complement this year. Nicoleen Pieterse, membership secretary, moved to Pietermaritzburg. We would like to wish Nicoleen all the best for her future endeavours, and we welcome Stefmarie Lammerding to our team and look forward to her contributions. Chricel Venster, financial assistant, unfortunately also had to relocate to Cape Town in March as her husband was appointed by a food chain store group in Cape Town. Chricel will be replaced by Monita Petersen who has worked in the golf club industry for the past 10 years. We therefore look forward to Monita’s expertise whilst we wish Chricel all the best. Thank you for your dedication to us during your short stay at PCC.

I would like to remind all our members of the PCC Partnership Programme. You can view more information on page 38 of this magazine. We are currently expanding the programme in order to offer you an even bigger choice of suppliers in Pretoria. Please support our suppliers as they all offer a wide range of discounted products.

In closing, I would like to thank all our members for your continued and loyal support. It is an honour for me to serve you as general manager, and I trust that 2018 will be a prosperous year for our beautiful establishment.

Kind regards,

Vivian van Wyk

6 ISSUE 5 | 2018 JACARANDA

7 ISSUE 6 | 2018 JACARANDA
Message by the EXECUTIVE MAYOR OF TSHWANE
Councillor Solly Msimanga

We are thrilled, as the capital city, to be hosting a world-class tournament of this magnitude and we’re looking forward to the economic spin-offs to be generated through this tournament, which would go a long way towards creating job opportunities for the poverty-stricken and unemployed people of Tshwane.

Equally, we are overjoyed at the spirit of private-public partnership that has alleviated the pressure on the City by freeing up the much-needed resources for us to provide services to our people.

It is unquestionable that the tournament has already made a name for itself, helping to establish Tshwane as one of the most successful hosts of European Tour events globally.

During the event, Tshwane, as the host city, gains an international reputation through the four-day live television coverage via SuperSport and its global partners.

I wish all participants a successful tournament and trust that the spirit of comradeship will prevail throughout the event.

Lesser Bushbaby (Galago moholi) FINDS A NEW HOME

In the last week of February, Johannesburg Wildlife Veterinary Hospital was notified that an injured bushbaby had been taken to Valley Farm Animal Hospital in Faerie Glen. A concerned member of the public had removed the tiny animal from a building site where it had been injured. The vet on duty administered pain medication and ensured that the patient was comfortable.

The sub-adult male bushbaby was then transported to Johannesburg Wildlife Veterinary Hospital (JWVH) where he was examined and treated for a concussion. He made a full and uneventful recovery.

Bushbabies are primates, nocturnal, arboreal (tree dwelling) and live in areas of woodland, savannas and where there are acacia trees as a source of gum. They predominantly eat invertebrates and insects, so being close to a water source is ideal. They are very good climbers and jump great distances for their size. When they are on the ground, they often hop, using their strong hind legs.

The male is territorial and this specific bushbaby’s territory overlapped with that of the Pretoria Country Club, as he was found on the corner of Selati and Garstfontein Roads, a few blocks away.

It was agreed that he could be released at the golf course and Corlia Vosloo, secretary to the General Manager, Vivian van Wyk, made the arrangements and had a golf cart ready to transport him to his new release site. Various options were explored, but the safest option was a dense outcrop of trees on the 15th hole, close to water. Baby bushbaby paradise! The bushbaby was released late afternoon on Tuesday, 6 March. It was wonderful to watch him find his feet, first surveying his new area with large ears, taking in all sounds before leaping off into the higher branches. A perfect ending to what started off as a very traumatic experience for this little guy. Wildlife patients often die from stress, and we are grateful this one survived his ordeal.

Johannesburg Wildlife Veterinary Hospital is a non-profit facility and they do not charge for their veterinary and wildlife rehabilitation expertise. Small to medium sized indigenous wildlife that has been injured, compromised, displaced or orphaned are their core patients. Please visit their website and Facebook page to see the wonderful work that they do, meet the very experienced team and see some of the interesting patients treated. They rely on donations from corporates and the public to ensure the work they do can be continued. Please consider supporting them if wildlife is your passion.

Should you have a wildlife emergency or require advice, a member of the team is available on a 24hr number 071 248 1514 or they can be emailed on jestobashwiffie@gmail.com.
ON THE NEXT PHOTO, YOU WILL IMMEDIATELY RECOGNISE TALL AND TANNED JAMES DU PREEZ. (THE PHOTO WAS TAKEN A COUPLE OF YEARS AGO IN AN AMATEUR TOURNAMENT.) JAMES, WHO RECEIVED HIS HONOURS COLOURS A COUPLE OF YEARS AGO, IS ANOTHER YOUNG MEMBER WHO IS MAKING US VERY PROUD.

HE LAST WON AN IMPORTANT AMATEUR TOURNAMENT IN APRIL 2016 AND, AFTER RecoverING FROM A BACK INJURY, PLAYED IN THE SA AMATEUR STROKE PLAY CHAMPIONSHIP AT PRETORIA IN THE FIRST WEEK OF FEBRUARY THIS YEAR AND MANAGED A TOP-FIVE FINISH.

THE FOLLOWING WEEK, HE COMPETED IN THE AFRICAN AMATEUR STROKE PLAY CHAMPIONSHIP AT GLENDOVER, WHERE HE STARTED A FEW STrokes BEHIND THE LEADERS IN THE FINAL ROUND, BUT THEN SHOT A FLAWLESS ROUND TO SCORE AN EIGHT UNDER 64, THEREBY WINNING THE TOURNAMENT. NOT EVEN INCLEMENT WEATHER COULD BREAK HIS STRIDE – THE ROUND LASTED JUST SIXTEEN SECONDS DUE TO A THUNDER STORM WHICH CAUSED PLAY TO BE SUSPENDED FOR NEARLY TWO AND A HALF HOURS.

IT WAS OBVIOUS FOR ALL TO SEE THAT HE WAS READY TO START HIS PROFESSIONAL CAREER AS A GOLFER AND SOON AFTER THE GLENDOVER TOURNAMENT, HE QUALIFIED FOR THE SUNSHINE TOUR. AFTER FOUR TOURNAMENTS, HE IS RANKED 51 OUT OF 115 PROFESSIONALS ON THE MONEY LIST OF 2018/19.

Not even inclement weather could break his stride – the round lasted just short of seven hours due to a thunder storm which caused play to be suspended for nearly two and a half hours.

It was obvious for all to see that he was ready to start his professional career as a golfer and soon after the Glenwood tournament, he qualified for the Sunshine Tour. After four tournaments, he is ranked 51 out of 115 professionals on the Money List of 2018/19.

James, you will be the second official recipient of our new bag tag and we have no doubt that you will keep on winning tournaments on the Pro circuit and keep the PCC flag flying high!

The ladies who competed in the Tshwane Open (the entry list was a veritable “who’s who” of South African ladies golf, with a few foreign players added to the mix), they all looked lovely and I was glad that I did not need to compete with them – they hit the ball so far that many of us will be put to shame if we tried to emulate them.

Stacy Bregman pipped Ashleigh Buhla at the end, which is quite something. If you have a look at the professional record of the ex Miss Simon, it seems that she is seldom beaten – since 2013 she has played in 19 pro tournaments which she either won or came second in. Ms Bregman made a cool R56 000 for three days’ work and, in the month following the PCC tournament, has won in excess of a total R110k.

On the next photo, you will immediately recognise tall and tanned James du Preez. (The photo was taken a couple of years ago in an amateur tournament.) James, who received his honours colours a couple of years ago, is another young member who is making us very proud.

The following week, he competed in the African Amateur Stroke Play Championship at Glenwood, where he started a few strokes behind the leaders in the final round, but then shot a flawless round to score an eight under 64, thereby winning the tournament. CANON LADIES

TSHWANE OPEN

Congratulations to Stacy Bregman, winner of the season-opening #Canon Ladies Tshwane Open at Pretoria Country Club.

Players should discontinue play immediately when the siren (single blast) is sounded, and take shelter.

Before play can restart, the siren will be sounded (repeated short blasts).

The only reasonably safer shelter that offers protection against lightning, is the Clubhouse & Pavilion.

Any person using the Club facilities does so at his/her own risk, and the Club accepts no responsibility for injury of death from any cause whatsoever.

Players also accept, with the paying of the requisite fees, the risk of possible exposure to adverse weather conditions and other potentially harmful situations associated with outdoor sporting or social activities.

The Committee urges all members to accept that lightning is dangerous and potentially life-threatening, and to adhere strictly to the following rules:

01

Players should discontinue play immediately when the siren (single blast) is sounded, and take shelter.

02

Before play can restart, the siren will be sounded (repeated short blasts).

03

Players are reminded that they do not have to wait for the siren to discontinue play if they believe there is a danger from lightning.

**WINE & GREAT IDEA**

**THEY’RE ALWAYS a GREAT IDEA for a glass of WINE**

**WINE = life = FINE**

**EVERYTHING is better with a glass of WINE**
We have a very large Ladies Golf Section at PCC, and the contribution of this section outweighs its size by far. The Ladies Section has always tried to bring as much fun and adventure to the game as possible.

2017 was no exception! We ended the year with our fun Pink Ball Competition, followed by a Christmas picnic at the PCC dam.

2018 started with a prestigious event – The Ladies Tshwane Open. The PCC ladies again came up to expectation and assisted with the marshalling of the tournament.

Our first trophy event of the year was the Joey Prinsloo Trophy. Henk Prinsloo and his two daughters donated a trophy in memory of his wife and their mother, Joey. They also sponsored the lovely food at the prize-giving.

Valentine’s Day was our first adventure day where the ladies dressed up specifically for the occasion.

Our league matches have already kicked off and the ladies look the part with peaks matching their shirts. Good luck to all the teams, and thank you for your commitment and loyalty to PCC.

**Smyth Cup**

The Smyth Cup golf day is PCC’s only charity event and is organised by the loyal ladies section. This year, the Ladies Committee visited the various charities, as an alternative to a handover function. The money saved was donated to the needy charities. Thank you to everyone who helped us reach our goal.

Exciting news! The PCC JACARANDAS are first in the league!

PCC has recently started a new table tennis league. We are called the Jacarandas, and our mission is to be the number 1 table tennis club in Tshwane. In a very short time, we have already reached our goal to be the number 1 team in our league. We intend to keep the top spot.

We would like to invite anyone who’s interested to join our club in 2018, to join us on Monday evenings from 18h00. We are also looking to start a ladies league.

We want to thank Vivian for making the Mardi Gras Hall at PCC available for our practice sessions and competitions. We also want to send a big shout-out to Piet Jordaan for taking us under the squash umbrella until such time that we have found our feet.

If you think you can play, come and join us, please. Anyone is welcome!

**BEST**

**GOOD**
During the longer summer days, social tennis on Saturday afternoons have all the courts filled with players enjoying their game until sunset. We are pleased with new members joining the Tennis section and participating on social afternoons. During the week, many bookings are made for members and guests meeting up to play tennis, and a highlight in our weekly diary in the evenings is the Wednesday Men’s Social, which is going from strength to strength under the leadership of our professional coach, Dino Pavlou, and the gentlemen on our committee.

The events of the year started with the 2017 Veterans Tournament. It had to be caught up from the previous year and the interest to take part in the event, which was held over two weekends, was positive. Our committee members, who took care of the arrangements and ensured that all went smoothly, are appreciated.

THE WINNERS WERE:
Mixed doubles – Marius Els & Mayke Huijbregts
Ladies doubles – Karin Marais & Elsabe Joubert
Men’s doubles – Louis Marais & Marius Els

The day was concluded with a braai and a good time was had by all!

Ongoing maintenance of the courts, poles and fences are done and we are surrounded by well-kept gardens. During the pleasant summer days that we enjoyed, the tennis section made good use of the newly finished boma. As the sun sets and the fire starts to crackle, it is good to keep company with friends at this facility. It is now a venue of choice at the Pretoria Country Club, and may be rented by members.

PCC offers two top-class bowling greens, rated among the best in the Gauteng North area. We also offer evening games, coaching and social events.

MEMBERSHIP AND FEES
Social membership of PPC is a pre-requisite to joining the Bowls section. PCC golf members pay only the national bowls affiliation fee, with a reduced fee structure for non-golfing members.

Waterkloof Village members who join the Bowls section, are not liable for social membership by way of their levies. Bowlers pay only the R250 entrance fee and do not need to pay a loyalty fee.

As an existing PCC member wishing to join the Bowls section, please approach a member of the Bowls Committee or contact PCC Reception.

If you are not a member of PCC, contact PCC management (at the main reception desk) for a PCC membership application form. You will be required to meet with members of the Bowls Committee prior to admission. On acceptance of your application, you will be required to attend a new members introduction function after which you will be free to join us for any of our events.

Everyone new to the game of Bowls is required to undergo training in both the game and etiquette of bowls, from one of our Bowls coaches before playing social games.

VISION STATEMENT
The Young Members Committee of the Pretoria Country Club has started 2018 with a bang! With various successful events already hosted this year, we are looking forward to what is still to come. Keep an eye on your PCC App to stay up to date with all the events for 2018.

MOVIE NIGHT ON THE DRIVING RANGE
The Young Members also organised a unique event on the 16th of February. The movie night on the driving range was a first of its kind and certainly something you don’t get to experience every day. In association with Van Loveren Wineries, we offered an outdoor cinema experience, combined with tastings of Van Loveren’s wide range of products. It was a fun-filled night for the whole family and the Taco Combi filled the holes that the popcorn couldn’t! We would also like to thank Cosmic Screens for their friendly and professional service on the night.

BAREFOOT BOWLS
Our annual Barefoot Bowls event, in collaboration with the Bowls section, was once again a major success. The combination of an action-bowls format, a live DJ, a braai and the cheapest bar on the premises, made for an unforgettable night. Not only was this a great social event, but it also saw some truly magnificent and exciting bowls being played by some of the younger members of the Club. Watch this space as we are in the process of planning a Thursday Night Bowls League to get more of our young members involved in this ever-popular sport. We would like to thank Brian and the Bowls section for their never-ending enthusiasm and their continued support.

WHISKEY & CIGAR EVENING
On the 14th of June 2018 we will be hosting our Whiskey & Cigar Evening. The evening will consist of a formal whiskey presentation by Pernod Ricard in the Carl Jeppe Room, followed by an informal tasting and soiree in the library. The Baron Tobacco shop will provide a wide variety of cigars on the night and you will also receive a complimentary cigar when you arrive. Come and enjoy a night filled with good whiskey, good cigars and good conversation. Be sure to book in advance as space is limited.

Make it yours!

GOLF EVENTS:
KWV PAR 3 CHALLENGE
The KWV Par 3 Challenge was held on Friday, the 2nd of February. Fifteen fourballs took up the challenge in a Betterball Stableford format and showed off their short-game skills. We would like to extend our gratitude to KWV for sponsoring all the NTP prizes on the holes and for organising a promotional hole on the 14th. The event was extremely well supported and we are excited to announce that we will have a lot of similar events throughout the year.

GREENKEEPER’S REVENGE
On Friday, the 13th of April it was payback time as we hosted the Greenkeepers’ Revenge. Every shot in the book was needed to conquer this challenge, with unique obstacles and difficult pin placements the order of the day. Thank you for everyone that participated in this unique event. We would also specifically like to thank Caper and STM once again for the setup of the course and the amazing prizes that were sponsored on the day – it was a resounding success!

NIGHT GOLF
On the 18th of May, a different type of challenge awaited in the year’s first night golf event. On a cold night, the players were welcomed with a drink, known to keep you warm. Again, we had a fantastic turnout for this event and I’m sure that everyone enjoyed a different take on golf. Massive thanks to Firefly Golf for making this event possible and also to N9NE Catering and their team for keeping the kitchen running till late.
